

## **Privacy Statement Picoplast BV**

This privacy statement applies for the processing of personal data by Picoplast BV.

Picoplast BV understands the importance of protecting and safeguarding your personal data. Picoplast BV respects your privacy and ensures that your personal data are processed in accordance with currently applicable EU privacy protection laws and regulations. This Privacy Statement sets out in which context we are processing your personal data and explains your rights and our obligations when doing so.

This Privacy Statement includes the following:

1. Purpose of collecting and use of personal data
2. Data exchange with third parties
3. Cookies
4. Right of access
5. Security of personal data
6. Updates to this Privacy Statement
7. How to contact us

### **1. Purpose of collecting and use of personal data**

Your personal data are being processed by Picoplast BV for the following purposes:

- to provide you with products and services you have purchased from us;
- to answer your questions and send you the requested information about our products or services;
- to keep you informed about Picoplast BV's products, services and latest offers for example via an e-mail newsletter;
- to improve Picoplast BV's website and services.

### **2. Data exchange with third parties**

We share personal information with third parties that provide services on our behalf in order to provide you with the products and services you have purchased from us.

We also use some programs and services for marketing purposes.

We only share the minimum amount of personal data necessary with these third parties, like your e-mail address that is used to send you our e-mail newsletter.

Picoplast BV does not provide any personal data to third parties who will use these data for their own purposes, unless Picoplast BV should be under a legal obligation to provide the relevant data.

### **3. Cookies**

Picoplast BV uses automatic data collection tools like cookies for its website [www.Picoplast.nl](http://www.Picoplast.nl).

A cookie is a small file sent from a Web server to your computer whenever you visit our website.

For example Picoplast BV uses cookies employed by Google Analytics to collect anonymised data to analyze the use of our website. These data insights help us to improve our website and are not used by Picoplast BV for commercial purposes.
